Dear Citizens and Members of the City Council,

It is my pleasure to present the Lincoln Police Department's 2006 Annual Report. This report is more than an overview of one of our fine city departments, it also provides information on the activities, personnel and accomplishments of the police department in 2006.

The Lincoln Police Department continues to do an excellent job in providing service to the citizens of Lincoln and will also continue to make an impact on crime. Despite national trends, once again we see a decrease in our crime statistics this year. It is only with the help of the community and their continued involvement with the Lincoln Police Department that helps to lower our crime rates.

I believe that our police department is one of the best in the country and I am very proud of the work that they do. As you look through this annual report I am sure that you will agree. I thank our police officers, our civilian employees, and all those who volunteer for the Lincoln Police Department for their public service to Lincoln. They are to be commended for their service to our community.

Sincerely,

Coleen J. Seng
Mayor of Lincoln

Mayor Seng,
City Council members,
Fellow citizens:

I am pleased to submit the annual report of the Lincoln Police Department for 2006. This document includes the historical and statistical information concerning an unusually productive period in the history of the department, and I am incredibly proud of the accomplishments the employees of the Lincoln Police Department have achieved. Overall crime in Lincoln fell by 4%. 2006 marked the fifth consecutive year of declining crime, despite population growth in the City evident at every turn.

It is the long term, however, that really defines our success. Looking back over the past 15 years (the year that crime rates peaked in Lincoln), the accomplishments are remarkable. The productivity of our officers is evident when you consider that Nebraska's smallest police department per capita produced about 26,000 arrests, issued nearly 106,000 traffic tickets, and ended the fiscal year with a 12,000 gallon cut in fuel usage.

Crime is only part of what the police do. The City depends on us for traffic control, special events, over 2,000 missing person investigations, nearly 2,500 child abuse investigations, response to over 3,000 alarms and 20,000 disturbances-to name but a few. We need not guess about what citizens want from the police department: they vote with their index finger thousands of times each month by calling us on the phone and causing the dispatch of our officers to 140,000 events annually.

Serving those needs in a timely way with good quality work is what we are about. In a tough budget year like 2006, it is my goal to insure that we keep the quality up-even when that requires a reduction in the range of services that we can provide. Quality, in policing, trumps quantity.

The highlights of 2006, the exemplary programs and the awards described in this report, are all about quality. It is my continuing pledge to insure that the quality of policing in Lincoln is not compromised. The year was punctuated by some dramatic episodes, many of which are detailed in this report. It is the daily work of officers, however, that most deserves recognition-work that often takes place with little fanfare or attention, in difficult and even extreme circumstances, by women and men who are committed to this community. I am incredibly proud to serve with them.

Sincerely,

Thomas K. Casady
Chief of Police

Ofc.'s Jason Wesch, Travis Ocken, Charlie Marti, Jeff Hanson, and Emily Schulz patrol the Southwest Team on two wheels

Officer Josh White conducts a bike safety project at 'Safety Day at the Zoo'

Officer John McGahan 'ties one on', his cruiser at a MADD Red Ribbon Week event at the capitol

MISSION, VALUES AND GOALS

MISSION STATEMENT

“We, the members of the Lincoln Police Department, working with all people, are committed to providing quality police services that promote a safe and secure community.”

ORGANIZATIONAL VALUES

We are committed to...

- preserving life, and enhancing the quality of life.
- an environment that encourages problem solving, by both ourselves and the community.
- being responsible for our actions and taking ownership of our work.
- our community, our profession, and to each other.
- educating ourselves and our community about the causes, resolution and prevention of crime and disorder.
- human dignity and the worth of all individuals.

GOAL STATEMENT

- Ensure that all persons may pursue their lawful activities without fear or impediment by maintaining public order.
- Reduce the impact of crime, fear of crime, and public disorder on the daily lives of Lincoln residents through patrol, crime prevention, criminal investigation, and law enforcement.
- Respond to calls for service and other public needs promptly in order to provide services which resolve problems and protect persons and property.
- Manage the fiscal, capital, information, and personnel resources of the department with efficiency and care.
- Develop and maintain open relationships and communications with other agencies, organizations, and the public at large.
- Protect safe and orderly transportation through traffic direction, law enforcement, and accident investigation.
- Recruit and retain the best possible employees, reflecting the diversity of our population.
- Provide employees with opportunities for meaningful work, challenging goals, and growth throughout their career.

YEAR IN REVIEW

JANUARY

Arrests are made in a shooting incident from November in which Gilbert Crockett, age 37, was shot at 1520 D Street. The shooting was a result of drug activity and ultimately five people were arrested for their involvement in multiple drug deals and the shooting.

Lincoln Police as well as the Lancaster County Sheriff's Office investigate several reports of impersonating a police officer. Forty-two year old Todd Angel was arrested for two incidents that occurred in Lincoln. The sheriff's office is still searching for a man driving a white vehicle in connection with reports in the county.

FEBRUARY

Police service dog Zito was struck and killed by a hit and run driver after jumping the fence at his home he shared with handler Officer Jeff Urkevich. Through generous donations by private citizens the department was able to purchase a new canine, Jake who is now assigned to Officer Urkevich. These donations also allowed retiring service dog Kimbo to be replaced by Kony who is patrolling with Officer Tyler Dean.

Andrew Lubben, 19, was found deceased outside an apartment at 44th and Leighton. Shane Tilley, age 18, was determined to have stabbed Lubben in Tilley's apartment and also outside where his body was discovered by neighbors. Shane Tilley was arrested for first degree murder.

MARCH

The investigation into a burglary in southeast Lincoln of several handguns leads to the arrest of four individuals who are all involved in the city's local drug scene. Ashley Elmshausen, age 18 and her boyfriend Jonathan Thomas, age 19 took the weapons from a relatives home and sold or traded them to people who have past drug arrests. Only a few guns have been recovered and officers continue their investigation and attempted recovery of the weapons.

APRIL

A statewide concealed carry law is passed by the legislature allowing citizens to carry concealed weapons at the start of 2007. Lincoln passed ordinances which limits the number of people who can carry guns in the city limits based on prior criminal convictions.

MAY

A city ordinance restricting Level 3 sex offenders from living within 500 feet of all schools is proposed to the City Council and passes. At the time of the proposal, Lincoln had 222 Level 3 registered sex offenders living in the city.

National Law Enforcement Memorial Week is recognized statewide as well as in a ceremony on the front steps of the Hall of Justice. A roll call of Lincoln's five officers who have been killed in the line-of-duty was read.

Officers from LPD participated in the 20th Nebraska Law Enforcement Torch Run for Special Olympics. The torch run began in Scottsbluff with over 300 runners from law enforcement agencies throughout the state and covered 625 miles. The Torch Run raised \$153,000 for Nebraska Special Olympics.

JUNE

The police Honor Guard participated in the 17th Anniversary Celebration of the Veterans Memorial Garden in Antelope Park, which honored 155 veterans for their service to our country.

JULY

The 1997 double homicide of Harold Fowler and Duane Johnson, was solved with the arrest Jeffrey E. Hoover, age 29, after DNA evidence linked him to the crime. The killings were the results of a drug deal gone bad.

AUGUST

Forty three year old Sharon Desantiago is found dead in her apartment at 1344 D Street. Gerald Soundsleeper, age 37 and the boyfriend of Desantiago, is arrested for 2nd degree murder in connection with her death.

Doyle Bryant, age 28 is shot and killed while riding in a vehicle on 27th Street just north of Superior. Terrell L. Jones, age 23, is later arrested in connection with the murder of Bryant and the shooting of three other men in the vehicle.

SEPTEMBER

Lincoln's third annual 'No Place for Hate Rally' took place at Lincoln High School's Beechner Field. Chief Tom Casady as well as other community leaders were speakers at the event.

The City Council passes a new graffiti ordinance in Lincoln. In addition to defining graffiti it also includes a minimum fine with escalating fines for repeat offenders and contains a provision for property owners to clean up graffiti in a timely manner.

The department was kept extremely busy at the end of the month when the Guardians of Freedom Air Show, featuring the Blue Angels brought huge numbers of people to air park over the weekend.

OCTOBER

The mayor requested an investigation into the fire departments purchase of seven new fire trucks to determine whether any laws were violated. The Technical Investigations Unit determined that there was no evidence of any crimes being committed.

NOVEMBER

Lincoln Police Union's 16th annual Santa Cop Auction was held at State Fair Park. The money raised at the annual auction is used to buy gifts for those kids who may not receive a gift for Christmas.

A Philadelphia businessman pledged a \$100,000 reward for 20 days in November for information in the disappearance of Regina Bos who has not been seen since early October 17th 2000 outside of Dugan's Pub. Regina Bos has not been located and no arrests have been made in connection with her disappearance.

A morning fire at a Nebraska Wesleyan University fraternity house killed 19 year old Ryan Stewart and critically injured three other students. An extensive investigation ultimately resulted in the arrest of three fraternity members for hazing in connection with the incident.

DECEMBER

Two Lincoln men are the first arrests under a new ordinance that prohibits certain high-risk sex offenders from living within 500 feet of a school. The ordinance took effect July 1, 2006.

The Northeast Team Station at 4843 Huntington Avenue - the City's second stand-alone team station, hosted an open house for neighbors who will be served by officers of the team.

EXEMPLARY PROGRAMS

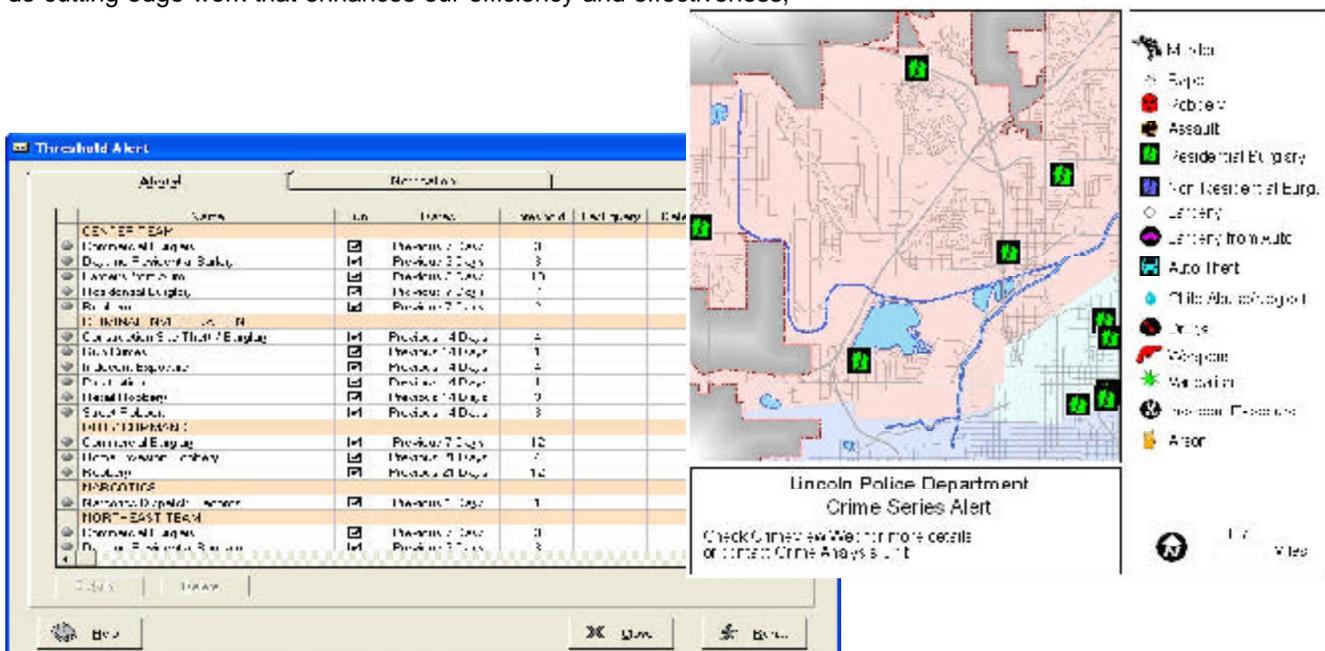

Threshold Alerts

Threshold alerts are automated emails that inform Lincoln police officers and commanders of crime trends or patterns that might otherwise be lost in the sheer volume of work the department produces. Threshold alerts merge our geographic crime analysis capabilities with the rich data resources provided by our own police database-the Lincoln Police Department Records Management System. With an average of about 400 events dispatched every day, it would be easy for an emerging trend or pattern to be missed. Threshold alerts use data-mining and artificial intelligence techniques to extract meaningful information from the police department's database, and provide actionable information to the people who need it.

Every day, a group of these automated queries are run during the early morning hours. As an example, Capt. Kim Koluch wants to know whenever there have been more than three commercial burglaries in the Southeast Team area within the previous seven days. At 5:00 AM, the department's geographic information system automatically runs a spatial query, and if that threshold number is met, Capt. Koluch receives an automated email. Attached to the email is a map of the offenses, and a tabular report with the basic details. The case number is a hyperlink, and a click will take her to the complete case file.

Another threshold alert lets personnel know immediately if any high-risk sex offender appears in the department's database with an address that is within 500 feet of a school. This automated notice alerts investigators to the potential violation of Lincoln's residency restriction. Sgt. Michon Morrow receives a weekly threshold alert of repeat complaints at the same addresses about party disturbances in the Northwest Team Area; Officer Jeff Sorenson gets an alert whenever a new arrest warrant is issued for a resident of his beat; Capt. Brian Jackson is alerted to any narcotics cases during the preceding 24 hours, and so forth.

Getting information to officers quickly and making sense of the chaos of police work is a daunting task, but one at which the Lincoln Police Department excels. The quality of our primary police database and the partnership we have forged with the Omega Group, the supplier of our crime mapping software, has allowed us to do cutting-edge work that enhances our efficiency and effectiveness,

Northeast Team Station

The Northeast Police Team has a new home. 2006 saw the construction and completion of a stand alone police facility located at 4843 Huntington Ave. in the heart of the University Place neighborhood. The new team station is one of many projects associated with the city's University Place Redevelopment Plan and will permanently change the method by which police services will be provided to Northeast Lincoln.

The project consisted of the complete restoration and remodeling of the former Lincoln Telephone & Telegraph building originally built in the late 1920's. This adaptive reuse of a tremendous older brick building provides roughly 10,000 square feet of finished space along with indoor parking for fourteen police vehicles. The new building includes report areas, interview facilities, a briefing/community room, and public access to a front lobby and service desk that is open during business hours. The new station allows forty-two police employees to report to work and end their shifts on the area they serve. This makes our efforts much more efficient and maximizes the impact of police presence in Northeast Lincoln.

A project of this scope was only possible with the help and cooperation of the surrounding community. Support was provided by neighborhood and business groups, local public schools, and Nebraska Wesleyan University to name just a few. Contributions of furniture and equipment needed for the new building came from several private business sources within the community. This assistance was critical in making the new Northeast Team Station possible.

The ribbon cutting and open house for the new police station was held on December 19, 2006 and was well attended by those living nearby. Now the task of establishing and normalizing police service and operations from 4843 Huntington begins and will be our priority for year 2007.

Chief Tom Casady, Mayor Colleen Seng, Captain Doug Srb as well as the developers, Will & Robert Scott cut the ribbon at the open house for the Northeast Team Station

Southwest Team Prostitution Project

In the past few years an increasing problem has appeared on the streets of our capital city, prostitution. Street level prostitution was fairly non-existent five or ten years ago but it is not difficult to drive in the Everett, Near South or Capitol Avenue neighborhoods today and see evidence of it. The residents of these neighborhoods became tired of seeing the prostitutes looking for business, the customers cruising around their homes looking for prostitutes or in some incidents last year, having men stop young women walking home and asking if they wanted to engage in this activity.

Because of the open dialogue between these neighborhood associations and the department we became aware of the extent of this problem. The Southwest Team, and specifically, Sergeant Mike Bassett became determined to impact the problem. Sergeant Bassett along with the officers that work on his squad developed several details throughout 2006 that would help to make a tremendous impact. Undercover officers, both male and female worked to arrest prostitutes and their customers. The officers that work on these enforcement efforts are placed in dangerous one-on-one situations with people who can be desperate and usually have lengthy criminal records. The officers must conduct themselves so that they do not expose their cover, compromise their safety or that of their back-up.

During these team projects the squad made seventeen arrests for prostitution, 20 arrests for soliciting prostitution and pandering and one arrest for the sale of a controlled substance. The narcotics arrest does not go unnoticed as the prostitution activity in this area is a reflection of the impact of crack and meth use, and the depths to which addicts will sink in their search for their next fix.

These officers have had a tremendous and noticeable impact on the activities in these targeted neighborhoods and area residents have reported a dramatic decrease in the street-side transactions. The Southwest Team will continue to make this a priority in their team area.

SRO Mike Holm and Sgt. Joe Wright coordinate a detail at Southeast High School

Officer Tyler Dean and his partner Kony

Investigator Mayde McGuire works out of the Criminal Division

Officers Tim Cronin and Jon Kossow follow-up on a call at the hospital

QUALITY SERVICE AUDIT

Since 1993 the Lincoln Police Department has been participating in a survey to gauge citizen satisfaction with the delivery of police services. The Quality Service Audit was developed in conjunction with Gallup, Inc. and it continues to be a valuable tool for both officers and administrators. Officers hired after 1991 are designated as participants in the survey and receive feedback from citizens on their performance. The QSA is a telephone survey which is conducted by student interns and recruit officers. Contact is made with citizens who have had a recent police contact, whether they are a crime victim or the recipient of a traffic ticket. A sample of survey questions and the responses are listed below from the 3,048 surveys which were administered in 2006.

QUESTIONS	YES	NO
Did the officer seem to know what he or she was doing?	93.0%	4.6%
Did the officer listen to your side of the story or your point of view?	81.5%	13.1%
Were you treated with dignity when the officer approached you?	91.4%	5.6%
Do you feel you were treated fairly?	84.8%	12.0%
Was the behavior of the officer professional in every way?	90.5%	6.8%
Was the officer considerate of your feelings during the contact?	83.2%	11.9%
Did the officer say he would contact you again, or do something to follow up with the case?	47.3%	52.7%
Did the officer recontact you as promised?	68.1%	31.3%
Did the officer introduce himself to you?	84.4%	15.6%
Did the officer explain the citation and the steps you must take to comply with the law, or educate you in any way about the law?	83.8%	16.2%

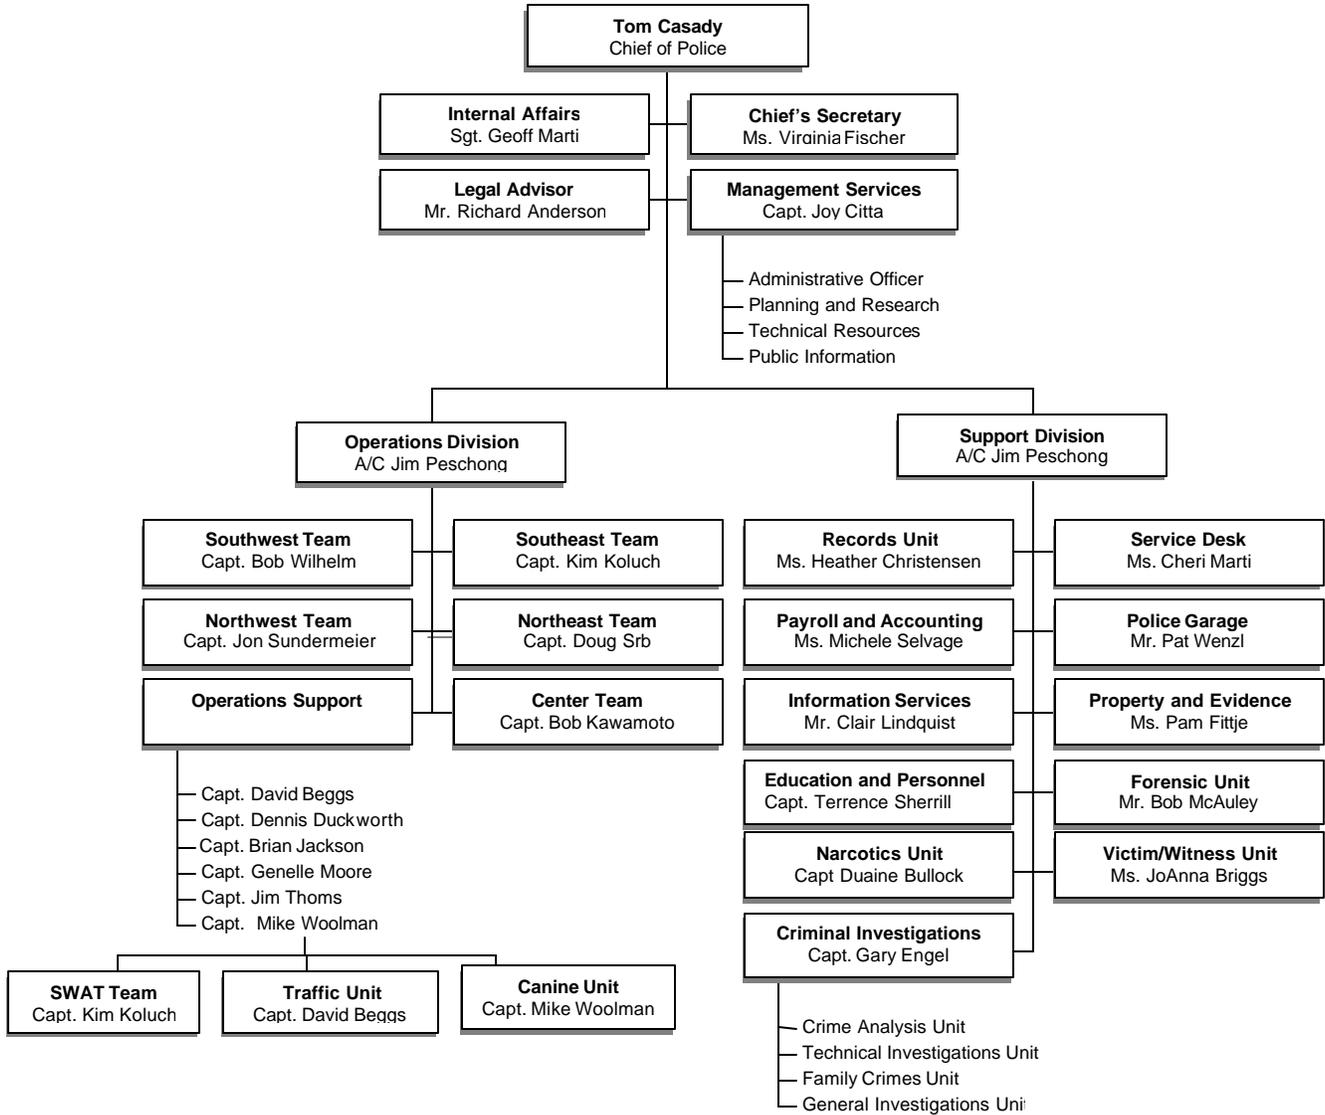

How safe and secure do you feel in the neighborhood where you live?

always unsafe and not secure	1.7%
usually unsafe and not secure	3.8%
safe and secure sometimes	13.8%
safe and secure most of the time	40.5%
always safe and secure	36.4%

How would you rate the officer's overall performance in this situation?

outstanding	30.7%
above average	33.1%
average	24.9%
below average	4.5%
unsatisfactory	3.9%

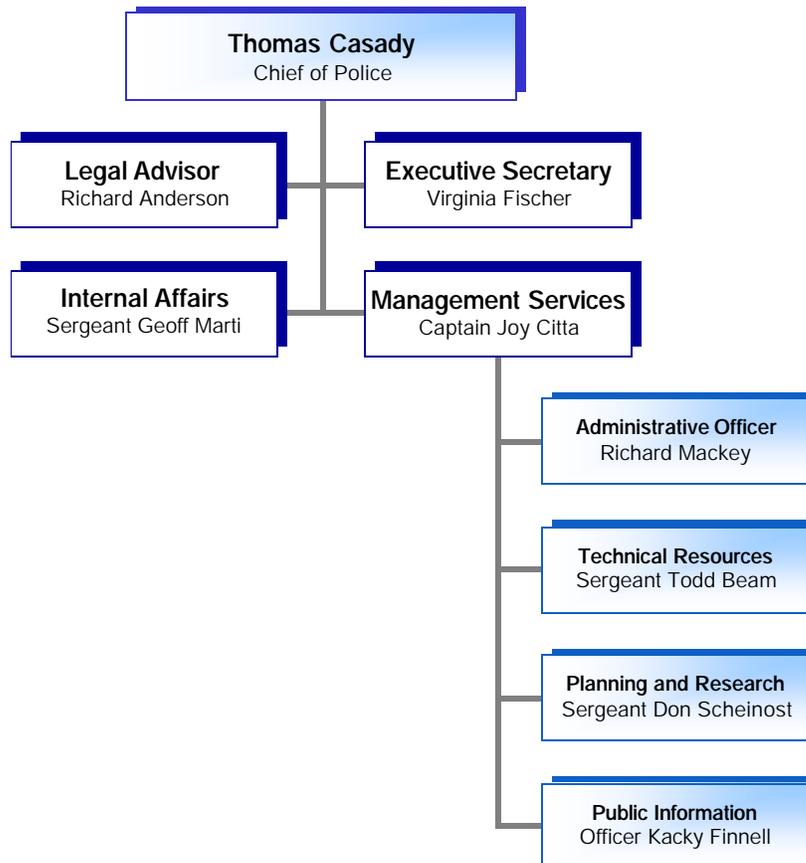

ORGANIZATIONAL CHART

MANAGEMENT DIVISION

The Lincoln Police Department's current organizational structure is comprised of three divisions. These divisions include the Management Division, Operations Division, and the Support Division.

Chief of Police Thomas Casady commands the overall operation of the department and directly oversees the Management Division.

Legal Advisor

Assistant City Attorney Richard Anderson functions as the police legal advisor. His office provides legal advice to department staff, training to employees, and legal assistance to police officers during criminal investigations.

Internal Affairs

The Internal Affairs unit is staffed by Sgt. Geoff Marti. The Internal Affairs Sergeant works directly for the Chief of Police and conducts investigations and maintains records relating to employee conduct and complaints. The unit also provides information to the Citizen Police Advisory Board during quarterly meetings.

Administrative Secretary

Virginia Fischer provides a variety of support services to the Office of the Chief and the department as a whole and has done so for six police chiefs.

MANAGEMENT SERVICES UNIT

Captain Joy Citta

Inspections

The Management Services Unit includes Inspections, Public Information, Technical Resources and Planning and Research. The Inspections Unit is responsible for maintenance of all General Orders, unit Standard Operating Procedure manuals, and compliance with accreditation standards. Captain Joy Citta is responsible for the inspections of all department units and is also the designated manager of the accreditation program.

Technical Resources

Sergeant Todd Beam provides technical support to the department, manages the mobile data project and serves as a resource to the Community Teams. Sergeant Beam also researches, develops and implements programs relating to technological issues.

Public Information

Officer Kacky Finnell serves as the Public Information Officer. She coordinates the dissemination of information to the news media, maintains the General Orders manual, updates the department web site, prepares the department Annual Report, and assists in accreditation.

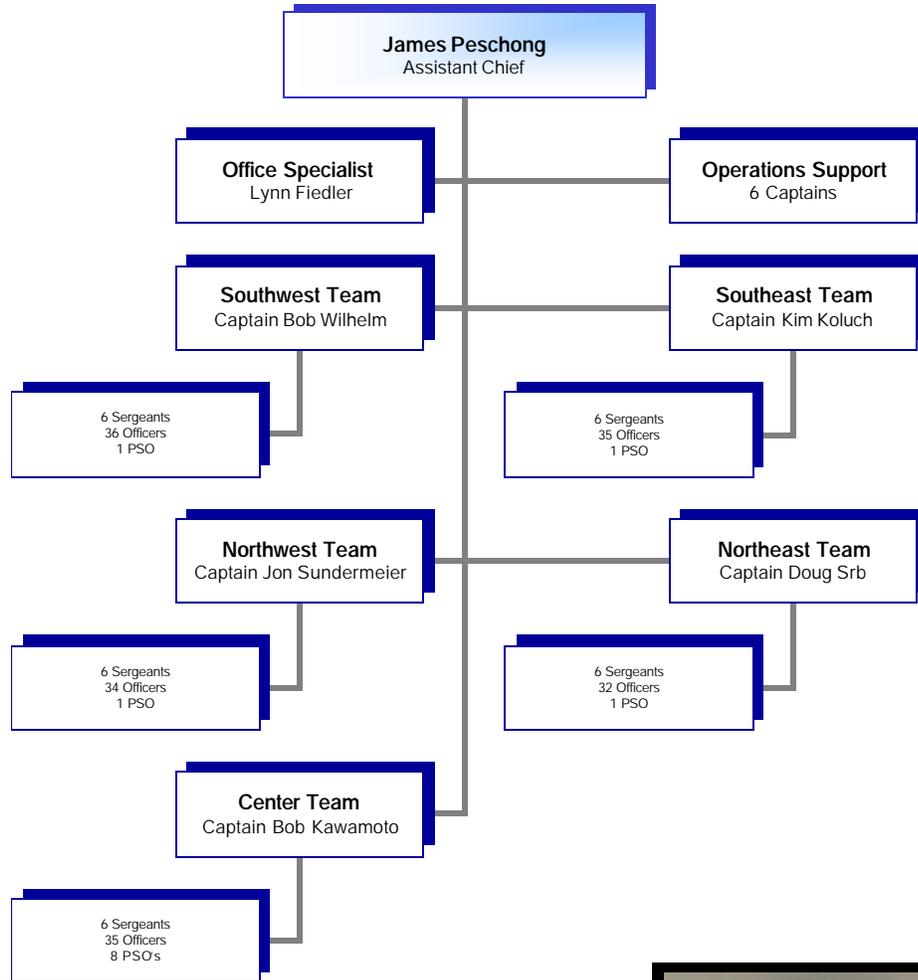

Planning and Research

Sergeant Don Scheinost is the planning officer for the Lincoln Police Department. He is responsible for grant administration, statistical analysis, program development, and accreditation.

Administrative Officer

Administrative Officer Rich Mackey is responsible for preparing, monitoring and managing all budget activities for the Lincoln Police Department. He conducts research for the unit and assists in maintaining accreditation standards.

OPERATIONS DIVISION

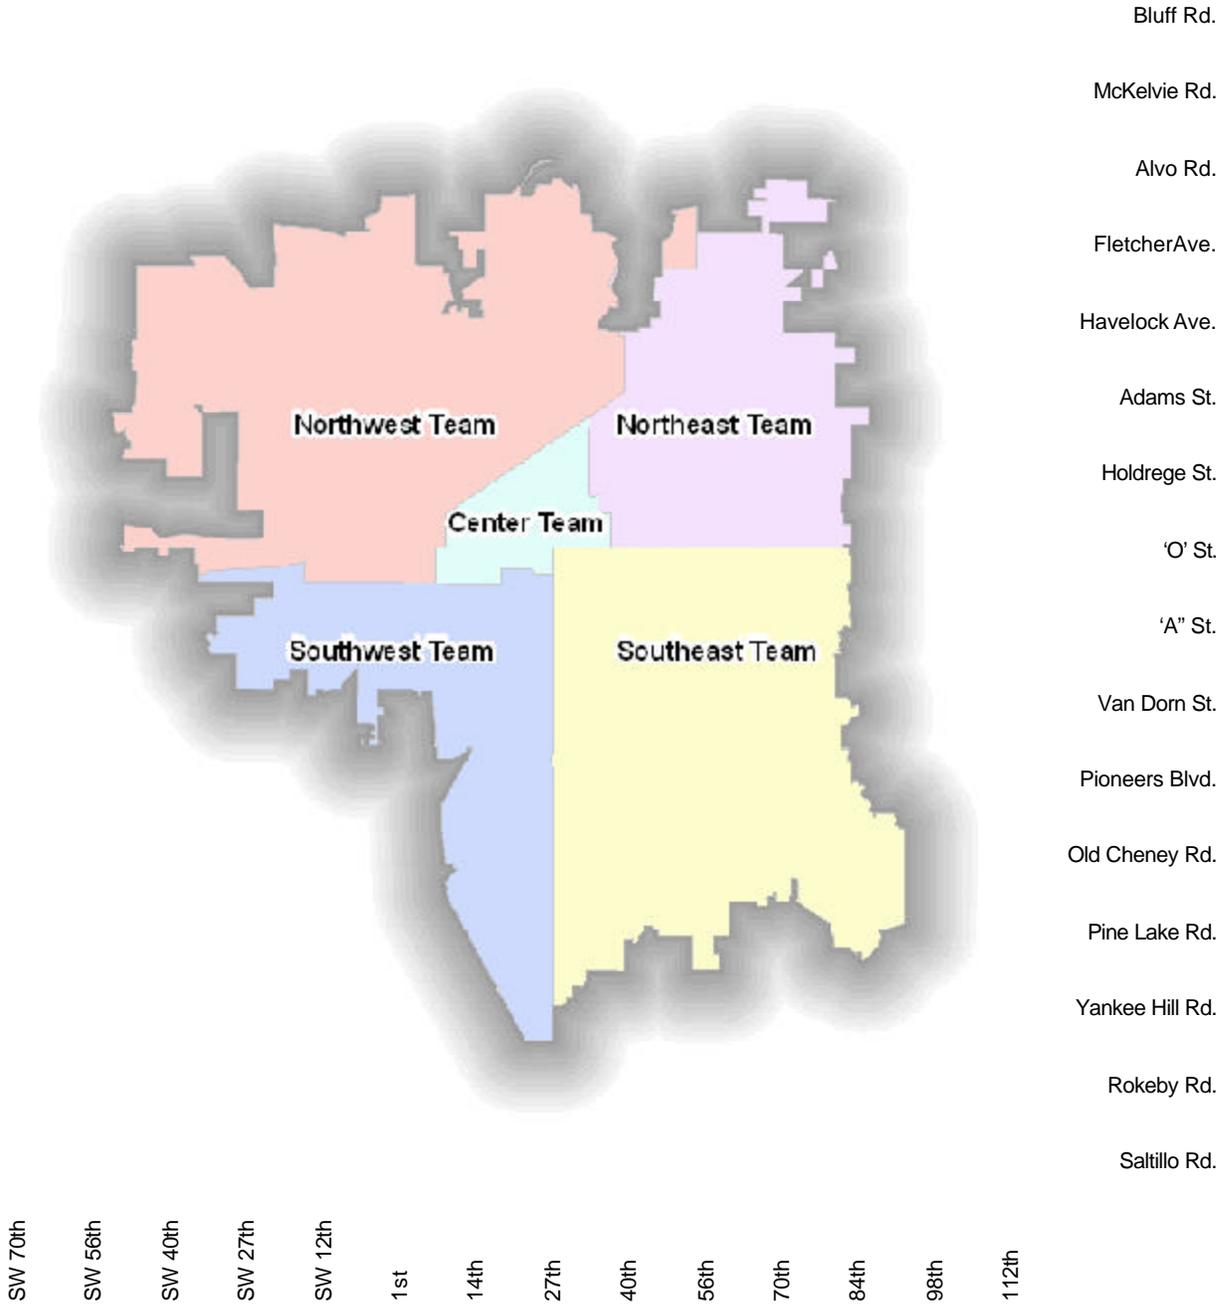

Assistant Chief Jim Peschong commands the Operations Division and is responsible for the Community Police Teams and Operations Support.

**Assistant Chief
James Peschong**

COMMUNITY POLICE TEAMS

NORTHWEST TEAM

In 2006, the Northwest Team began a trial run of a new type of schedule. The thirty two officers and five sergeants assigned to the team all worked a twelve hour shift. The department was interested in evaluating this type of schedule, which is in wide use in other departments. Because police departments operate twenty four hours a day, seven days a week, and 365 days a year, traditional police schedules--especially shift work-- can have a powerful negative impact on the lives of officers. Twelve hour shifts provide more days off for police officers while still providing coverage for twenty four hour police services. The concern was that the quality of police services might not be as high if officers were off for more days and that the length of the shift might prove too long for officers to remain productive and alert.

A great deal of planning went into the twelve hour shifts and an objective evaluation of the schedule as well as an officer survey found the shifts were an excellent alternative to more traditional schedules and that officers strongly preferred twelve hour shifts over other schedules. As a result, the twelve hour shifts were renewed and expanded to another team area.

On September 23rd and 24th the city played host to the Guardians of Freedom Air Show featuring the Blue Angels. This coincided with the NU vs. Troy State football game resulting in one of the largest influxes of spectators into Lincoln in recent history. Saturday's attendance at the Air Show was estimated at 100,000 and on Sunday neared 200,000. Limited ingress and egress into the area on the west apron of the airport created long term traffic congestion which was professionally handled by officers. The vast majority of spectators took the delays, which were anticipated and well publicized, as a small price to pay for the spectacular event. Event officials were elated with the department's role in planning and implementation at the event, which was hugely successful.

Captain Jon Sundermeier

The Northwest Team also handled the annual Fourth of July celebration at Oak Lake Park, featuring the Lincoln Symphony Orchestra. Planning and coordination with the event sponsors and city traffic engineers resulted in another successful event.

SOUTHWEST TEAM

With a desire to build on our success from the previous year, the Southwest Team made a commitment to focus on several areas in the near south neighborhood. Through our open dialogue with neighbors and landlords, we continued to receive reports of prostitution and drug activity affecting the safety and quality of life for residents. We knew in order to have sufficient impact it was going to take much more than our usual series of one-week projects; a sustained effort was required. The Southwest Team dedicated the staffing and put together a 17-week undercover operation from February to June. Many team officers as well as Officer Jason Brownell from the Traffic Unit were utilized. The success of the project was remarkable and resulted in letters to the department from citizens appreciative of the positive changes in their neighborhood. A total of 449 misdemeanor arrests, 32 felony arrests, and perhaps most significantly 190 narcotics arrests were made. The project also cleared 93 warrants, resulted in 13 prostitution arrests, and 286 official traffic citations. Thanks to the dedication and skills of our officers we feel this target-specific enforcement was successful, especially when a citizen writes to us saying it now "feels safe to step outside and go for a walk." This project, along with others during 2006, demonstrate the positive impact we can have when the resources are available.

We continue to recognize the need for strong relationships with our schools. This year we explored new methods for dealing with issues occurring in the neighborhoods surrounding Lincoln High School. Frequently students were engaged in activities such as trespassing, loitering, disturbances, fights, vandalism, and graffiti. Several dayshift officers took ownership of this area and spent an entire semester contacting students off campus. What resulted was beyond our expectations. Many of these students were truant which resulted in 185 students being returned to the school for administrative action. A wide variety of arrests were made from trespassing, disturbing the peace, possession of marijuana to more serious offenses such as burglary, sexual assault and contributing to the delinquency of a minor. High visibility and frequent contacts with students provided more safety for our youth and increased collaboration with school administrators.

Captain Bob Wilhelm

A year-long effort, spearheaded by Sergeant Bassett and Ofc. Schreiner, to address prostitution issues met with substantial results. The goal was to become educated in techniques for dealing with not only prostitutes, but the individuals who solicit their services as well. This requires talented officers who can engage in undercover activities and are successful and realistic in their role. The SW team has provided steady enforcement throughout the year. Because of the positive effects it is having on our neighborhoods we hope to continue this in 2007.

It has been an honor to have worked with the Southwest Team officers, supervisors and citizens over the past nine years. Thank you for your hard work and support.

SOUTHEAST TEAM

The Southeast Team enjoys a long-standing tradition of leading the department in the number of Problem Oriented Policing Projects conducted. These projects are designed to impact specific problems by developing problem solving strategies. The following are some examples of outstanding performance and our commitment to the citizens of southeast Lincoln:

In the fall of 2006, Southeast Team day shift officers led by Officers Steve Standley, Katie Flood, and Clint Solano coordinated a project in the College View area aimed at identifying and dealing with blighting influences in that neighborhood. During the initial assessment of the area, fifty-nine separate violations were identified. Fourteen violations involved trash on the property, or some type of building codes violation. Officer Standley who is the team's Problem Resolution Team representative, reviewed each case making the appropriate referral for disposition. The remaining forty-five cases involved some type of parking, improper registration or abandoned vehicle violation. Each of those cases has been dealt with through compliance or enforcement.

Last year nearly one third of Lincoln's total traffic accidents occurred within the boundaries of the Southeast Team. With that in mind, Southeast Team officers make accident reduction a priority when setting goals for the year. During the summer of 2006, Officer Shane Winterbauer initiated a project called "Speed Kills" to raise public awareness about a high accident location near 27th & Old Cheney. The project included public awareness through a media release showing a wrecked vehicle and banner placed near the intersection, using the mobile speed display unit to educate drivers about their vehicle speeds and speed limit enforcement. Southeast Team second shift officers took part in this three week project running radar enforcement in an attempt to slow down drivers in the area.

In an ongoing effort to prevent larcenies from vehicles and open garages, Officer Tim Abele coordinated a project to raise public awareness and provide citizens with some crime prevention tips through a series of public service announcements (PSA). The PSAs aired on public access Star City TV Channel 5, Channel 8 and Chanel 10 /11. A city wide decrease in reported offenses can be attributed in part to these kinds of crime prevention efforts.

The officers of the Southeast Team look forward to another year of serving its citizens through joint problem solving and collaboration. If you have questions or concerns about your neighborhood please contact Captain Koluch at 441-7755.

CENTER TEAM

The past year has seen extensive changes on the Center Team. Captain Bob Kawamoto was assigned to assume command of the Center team in July of '06. Since that time, we have been tasked with many new challenges.

Achieving maximum performance with minimal resources has been the biggest of these challenges. Retirements and injuries have created several staffing issues. However, the Center Team has risen to the task. We were asked to reduce the overall expenditure for the annual football traffic details and were successful in reducing overtime by one third while maintaining an excellent season of getting football traffic into and out of the downtown with minimal delays. Center Team officers and supervisors have partnered with the Downtown Lincoln Association and the University of Nebraska to initiate a project aimed at impacting the homeless, reducing aggressive panhandling, and generating a source for additional resources to help the homeless and chronic addicts. Center Team officers have also been involved in several successful short term enforcement projects aimed at curbing alcohol related violations related to downtown concert venues and after hours parties in neighborhoods adjoining the downtown. We have continued our efforts concerning neighborhood graffiti, burglaries, and thefts in and around the downtown.

During the past year, we have continued our commitment to neighborhood organizations and entities such as Free to Grow, community centers, and the Center Team elementary schools. The Center Team officers have also been very successful in areas of DWI enforcement, enforcement of liquor laws in area liquor establishments, and providing excellent service to the downtown, the adjoining residential areas, and at the many special events associated with downtown Lincoln.

TRAFFIC ENFORCEMENT UNIT

The Traffic Enforcement Unit is commanded by Captain David Beggs and supervised by Sergeant Dan Schmidt. The Unit is currently staffed with eight officers. These officers specialize in the enforcement of traffic laws throughout the City. In addition to police cruisers, six police Harley-Davidson motorcycles are also assigned to the unit.

The priority of the unit is contacting drivers of motor vehicles who violate traffic law, with special emphasis on school zones, construction zones, and arterial roadways. The officers in the unit also work to resolve special problems in residential neighborhoods. The Traffic Unit deploys the “speed trailer” and has the ability to perform traffic and speed studies in problem areas. The Unit receives grant assistance from the Nebraska Office of Highway Safety to help its programs achieve success. Some of the major projects conducted by the Unit throughout the year are; Spring and Fall School Zone Selective, Spring and Fall America Buckles Up Children Campaign and the Red Light Running Project.

Members of the Traffic Unit also serve on the following committees: Safe Kids/Safe Communities Coalition, Highway Safety Advocates Group, and the Safety Training Option Program. Officers of the Unit also assist by giving traffic safety presentations to students at various driver education programs throughout the city.

In addition to the traffic related duties, this unit is also responsible for the investigation of serious injury and fatality motor vehicle accidents. Investigator Marlan Hohnstein, one of the eight officers assigned to the Unit, is the lead Accident Reconstructionist for the team. The six members of the Reconstruction Team are highly trained and use specialized equipment to complete the investigation and forensic mapping of traffic crash scenes. Investigator Hohnstein and Investigator Robert Hurley are both certified by the Accreditation Commission for Traffic Accident Reconstruction (ACTAR).

OPERATIONS SUPPORT

Captain David Beggs

Captain Allen Soukup

Captain Brian Jackson

Captain Genelle Moore

Captain Jim Thoms

Captain Mike Woolman

The Operations Support Unit is staffed by six captains who serve as duty commanders. The duty commander manages all police operations during their shift. Other command officers, including the chief and assistant chiefs serve as duty commanders occasionally when regular assigned duty commanders are not available.

SUPPORT DIVISION

**Assistant Chief
James Peschong**

Assistant Chief James Peschong commands the Support Division which provides the resources and services necessary to supplement field operations. The Division also includes the Criminal Investigations Team, the Narcotics Unit and Education and Personnel as well as other units which deliver direct services.

CRIMINAL INVESTIGATIONS TEAM

Captain Gary Engel commands the Criminal Investigations Team. The team provides support and assistance to the Community Police Teams, conducts specialized investigations, and coordinates follow-up investigation of major crimes. Case detectives and investigators from the Criminal Investigations Team are assigned to work with Community Police Team officers on the City's most significant crimes against persons and properties. The Criminal Investigation Team has a polygraph examiner assigned to the team as well as the following specialized units:

Captain Gary Engel

Technical Investigations Unit

The Technical Investigations Unit is supervised by Sergeant Sandra Myers. White-collar crime, vice, and confidential investigations are performed by the Technical Investigations Unit. Sergeant Mark Meyerson supervises the checks and frauds investigations.

Family Crimes Unit

Under the direction of Sergeant Mark Unvert the Family Crimes Unit investigates serious crimes against children and missing juveniles. The unit reviews reports of domestic violence and child abuse/neglect to ensure that adequate information and evidence are gathered. Family Crimes also operates a diversion program for juvenile offenders, coordinates many youth programs, and maintains gang and truancy intervention programs.

Narcotics Unit

The Narcotics Unit is an interagency task force composed of officers from the Lincoln Police Department, Lancaster County Sheriff's Office and the University of Nebraska Police Department. The Narcotics Unit works cooperatively with several other State and Federal agencies. Supervised by Captain Duaine Bullock, the members of the unit conduct investigations into drug trafficking and other drug law violations. A gang analyst also operates under the direction of the Unit.

In 2006, thirty-six people were arrested on 66 federal drug counts by the Narcotics Unit. Those arrested are suspected to have taken part in over \$9 million dollars worth of street drugs. During 2006 there were 5 meth lab incidents in the City and Lancaster County.

Captain Duaine Bullock

Captain Terrence Sherrill

Education and Personnel Unit

The Education and Personnel Unit provides a wide variety of services related to training and Human Resources. This includes the extensive task of recruitment and hiring of new police recruits, conducting police training academies, providing in-service and elective training for veteran officers.

The unit also conducts the citizen academy and provides numerous crime prevention presentations and special projects. Captain Terrence Sherrill, who commands the unit, has continued to challenge his staff to provide high quality training and a maximum amount of services for a minimal amount of expenditure.

Officer Winterbauer conducted an enforcement/awareness project in the area of 27th and Old Cheney Road

Records Bureau

Heather Christensen coordinates the efforts of the Records Unit which processes and maintains all case files. In addition, the unit is responsible for reports, criminal history information, mug shots, and gun permits. A public counter is staffed to provide copies of reports and other non-law enforcement report requests.

Public Service Desk

The Public Service Desk operates with the dual mission of providing responsive support services to area law enforcement officers such as communications support in the form of warrant checks, vehicle registration checks, and driver history information, as well as personalized assistance to the citizens of our community. The unit operates under the direction of manager Cheri Marti and two Service Desk Supervisors.

Information Technology

The Information Technology Unit is directed by Clair Lindquist. The unit develops computer applications and provides technical support to all department personnel. In addition, the department's computer-based records system is maintained by Information Services.

Forensic Unit

Robert McAuley supervises the activities of the Forensic Unit. The unit conducts fingerprint examinations and maintains AFIS (Automated Fingerprint Identification System). In addition, members of the unit perform document examinations and maintain the department's photography lab.

Crime Analysis

Criminal intelligence information is maintained and disseminated by the Crime Analysis Unit. The unit documents and analyzes crime patterns and trends. Sergeant Richard Kohles coordinates the unit which also provides an on-line summary of significant cases worked by officers.

Payroll and Accounting

Michele Selvage supervises the Payroll and Accounting activities of the department. The unit is responsible for the management of financial accounts, and the payroll for department employees.

Victim/Witness Unit

The Victim/Witness Unit is administered by JoAnna Briggs. The unit provides information and support services to victims and witnesses of crime. The mission of Victim/Witness is to help victims deal with the effects of crime. The unit utilizes extensive volunteer resources to assure that victims and witnesses are provided with the information and assistance that they need.

Police Garage

Fleet Manager Pat Wenzl is responsible for procuring, servicing, and maintaining all department vehicles. Other city-owned vehicles are also serviced by the police garage.

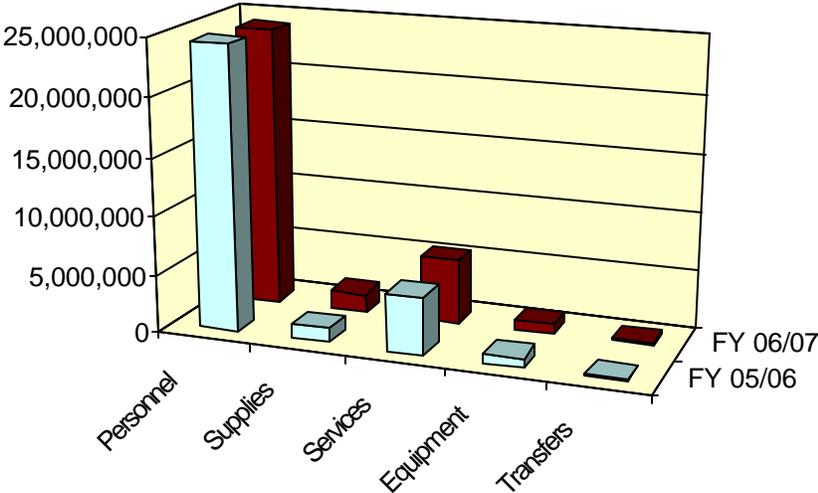

Property & Evidence Unit

The Property and Evidence Unit is supervised by Pamela Fittje. The unit is responsible for maintaining custody of all seized evidence, coordinating the acquisition of property, distributing equipment and supplies, and monitoring department inventory.
